From Charles Follen,
son of Prof. C. Follen & Mrs. Eliza Lee Follen

Boston June 29 1862

Dear Mr Garrison

I am sorry & ashamed
that I have not been
~~set~~ to pay my
respects to you &
Mrs Garrison, but
now it is doubtful
whether I shall see
you before I go except
perhaps for a minute or

the office. I am going to Port Royal very suddenly.

I feel it best to resign my place on the two boards. I cannot attend the meetings now & think I had better take some one else in. If is also possible that I shall have left called upon to resign at any rate. I know

Hunt it was nice pushed
to put gentlemen &
ladies in the committee
with whom opposed)
differ too much to make
it easier for me to
continue in such a manner
highly as I respect them
personally. If
this be the case, I
shd resigned my place as
any rate: & as I cannot
vote now on any question,
I think it a duty to resign
unconditionally & at once.
I feel very grateful to the
Board for their kindness
in electing me to these

most honorable ports.
differ somewhat with
the board, particularly
in their course towards
Harriet Martineau. ~~It~~
With regard to the
~~cause of this~~ opinion
brought forward by
Mess. Foster & Pillsbury
at the meeting, & I
~~could~~ consider them
not at all aggressive. I know
so that the board is not
committed to them, &
that their resolutions were
barely defeated.
venture this long expression

the opinions of some Garrisonian friends.
